- 5.01 According to OS Grassroots Game Procedures, the League does not permit call-ups.
- 5.02 Players are permitted to Play-Up a maximum of 1 year and must have a duly signed and approved Fast-Tracking Form. Such players must be registered in the older age group within the OS registration database.
- 5.03 There is no maximum number of players Playing Up with Fast Tracking forms in any individual game, EXCEPT that it can't be 100% of a team (needs to be 1 less) for any game.
- 5.04 A player with an EOS-approved Fast-Tracking form may not play back down in their natural age group.

6. Game Sheets

- 6.01 Game Sheets must be generated using the LMS and include the names of all Players and Team Officials on the bench. Handwritten names and OS numbers are prohibited, but jersey numbers may be handwritten on the game sheet. Per the EOSL Fees and Fines Schedule, an administration fee will be assessed to any team not following this rule.
- 6.02 Only fourteen players may be listed on the game sheet and are eligible to play in any U9 or U10 game. Only eighteen players may be listed on the game sheet and are eligible to play in any U11 or U12 game.
- 6.03 Only four Team Officials may be listed on the game sheet, and all Team Officials present at the game must sign the team's game sheet. According to the EOSL Fines and Fees Schedule, fines will be issued for missing signatures.

- 6.05 The names of players and Team Officials who are not present at the game must be crossed out on the game sheet. All players and Team Officials whose names appear on the game sheet and are not crossed out will be deemed to have participated in the game. They could be subject to disciplinary action based on being considered to have participated in the game. The signature will certify the eligibility of all players and officials whose names appear on the game sheet to participate in that game. The team will be fined for any missing team official signatures according to the Fees and Fines Schedule.
- 6.06 When a game sheet cannot be printed from the LMS due to technical difficulties, the team will email the League to inform them. The League must receive Notice of the difficulty before the game starts.

- 6.07 When a game sheet cannot be printed from the LMS due to technical difficulties, the affected team will create a handwritten game sheet, modify a copy of an old game sheet, or use the TRR, adding the additional game information. The League will manually verify the registration status and eligibility of the listed players. If the notification has yet to be sent to the League by email as per 6.05 above, the team will be issued an administration fee per the EOSL Fees and Fines Schedule.
- 6.08 Each team must give the Referee one copy of their game sheet.
- 6.09 All Team Officials must initial their game sheets before each game and sign them at the end of each game.
- 6.10 The Referee will then retain and use the game sheet for reporting purposes.
- 6.11 Any Team that fails to produce a game sheet will be subject to a fine as per the published EOSL Fees and Fines Schedule

7. Player Identification

- 7.01 Player identification will not be checked in EOSL Development divisions.

8. Submission of Game Reports and Scores

- 8.01 There will be no published standings. The League will record scores for fair play enforcement and U13 regional placements.
- 8.02 The Referee must enter the game report directly into the LMS, including a copy of all game sheets and reports, within forty-eight hours of the game's completion. A Referee who fails to do this may be subject to disciplinary action. **The Referee must also record the game score on the Ref Centre website.**

9. Equipment and Field of Play

- 9.01 The host Club will ensure that fields are assigned and properly permitted, cleared and safe to play on, i.e., field size, lines and markers.
- 9.02 The host team will provide game balls acceptable to the referee, put up two sets of nets, and place corner flags per the Laws of the Game.
- 9.03 The host team will designate the technical areas for each team on the same side of the field. The technical area will start at five metres and end at ten metres on either side of the centre line. If the technical area is not painted on the field, teams will use cones to designate it.
- 9.04 All Team Officials listed on the game sheet must remain in the technical area and may not sit on the spectators' side of the field.
- 9.05 The designated technical area is open only to the players listed on the game sheet and a maximum of four Team Officials. Substitute players and Team Officials must confine themselves to their designated technical area.

- 9.06 A Club Head Coach or Technical Director may be in the team's technical area. They will be included in the limit of the four Coaches and Team Officials specified above and must sign the game sheet.
- 9.07 The game ball will be size 4.
- 9.08 Teams are only required to have one set of jerseys. Teams must register the jersey colour with the League by April 15. - 9.09 All team players except the goalkeeper will wear the same jersey colour, which must be numbered on the back. Players must all wear different numbers, which must be at least eight inches high. Player numbers must be recorded on the game sheet and cannot be changed after the start of the game without the Referee's permission.
- 9.10 The goalkeepers' jersey colour must differ from either team's.
- 9.11 Players may wear undershirts and/or undershorts. The undershirts must be a single colour, the same colour as the main colour of the shirt sleeve, or white for light-coloured jerseys and black for dark-coloured jerseys. Undershorts/tights must be the same colour as the main colour of the shorts or the lowest part of the shorts, or white for light-coloured shorts and black for dark-coloured shorts. All players on the same team must wear the same colour.
- 9.12 As per OS Operating Procedures, team jerseys must only bear the name and logo of the club with which they are registered. No other branding is permitted on team jerseys except sponsorship branding. For greater clarity, a sponsor may not be a soccer club that is not recognized by FIFA, whether for-profit or not-for-profit.
- 9.13 No team may display banners, posters, or other advertisements of any soccer entity other than the registered club before, during, or after League games, excluding banners posted by the facility itself.
- 9.14 FIFA-sanctioned safety or protective equipment may be worn after inspection by the Referee and only if the Referee deems that such equipment will not be a danger to other players.
- 9.15 All spectators must be a minimum of one metre away from the field's touchline. If a fence or similar barrier is closer to the field than one metre, the spectators must be behind the barrier.
- 9.16 The set-up and operation of any photo or video equipment on the teams' side of the field and behind the goals are prohibited.

 - U11 to U12: Two 30-minutes halves
- 10.02 There will be a 5-minute break at half-time.

11. Team Official Responsibilities

- 11.01 Suspended Team Officials may not be at or near the field for any League game throughout their suspension period.
- 11.02 Team Officials, parents, and spectators may not enter the playing field without the Referee's prior approval.
- 11.03 Teams will ensure that their Team's spectators sit on the side of the field opposite the side where the players and Team Officials are located.
- 11.04 Team Officials may only withdraw their team or any players from the playing field with prior approval from the Referee.
- 11.05 Clubs and Team Officials are always fully responsible for the conduct of their players, other Team Officials, and spectators at and in the vicinity of any game their team participates in, including the parking lot.

12. Game Start Times and Abandoned Games

- 12.01 Teams must be at the game field thirty minutes before the scheduled kick-off time. The home team will ensure that the nets, corner flags and other necessary equipment are installed and ready before the scheduled kick-off. Teams must not cause the game to be delayed.
- 12.02 Any team that causes a game to be delayed beyond the scheduled kick-off time will be subject to a fine as per the EOSL Fees and Fines Schedule.
- 12.03 Any team that hasn't presented at the game field twenty minutes after the scheduled kick-off time or hasn't been able to field the minimum five players twenty minutes after the scheduled kick-off time will be considered to have failed to appear for a scheduled game. The game must start immediately upon the arrival of the fifth player if the player arrives within the twenty-minute grace period.
- 12.04 If the Referee abandons a game before completing three-quarters of the regular playing time, the game will be rescheduled. Games abandoned in the last quarter of the regular playing time will be deemed complete.
- 12.05 In case of a game postponement or abandonment due to weather conditions, the home team's Head Coach will advise the League within twenty-four hours of the game's scheduled start.
- 12.06 If the Referee abandons a game before the completion of two halves for any reasons other than those specified above, then the League will rule on the game's status.

13. Schedules

- 13.01 The season will begin in May on a date determined by the League. Clubs will receive notice of the season's start date by May 1.
- 13.02 The end-of-season date for all divisions will be communicated to Clubs by May 1. All games must be completed by this date, except when the League extends the end date for a division.
- 13.03 Game rescheduling will be per the Game Reschedule Policy only. If teams agree to an unauthorized game reschedule, Team Officials from both teams will be subject to fines as published in the EOSL Fees and Fines Schedule.

14. Player Substitutions

- 14.01 Player substitutions will be permitted with the Referee's consent during any stoppage of play.

15. Referees

- 15.01 Referees will be assigned using the EOSL Referee Appointment Policy.
- 15.02 Referees must be at the assigned game field 30 minutes before the scheduled kick-off time to complete the standard field check and other pre-game procedures. Failure to do so will result in disciplinary action by the District Association.
- 15.03 Referees will be paid for their services via the EOS Match Official Payment Policy.
- 15.04 If a team objects to field conditions, goalposts, balls, or team colours, the Referee may, at their discretion, require the responsible team to correct the cause of the objection, if possible, without unduly delaying the game's progress. The Referee will be the sole judge of whether the objection is sufficient cause to abandon the game.
- 15.05 If the appointed Referee fails to appear by kick-off time, the home team will make every attempt to contact a replacement Referee. If no certified Referee can be reached, the Team Officials from both teams will proceed with the game under the officiating of a cooperatively chosen individual(s).
- 15.06 The Referee will prioritize the players' well-being over the game's progress and must suspend play or abandon a game, if necessary, where weather conditions, particularly thunder, lightning, or field conditions, put player safety at risk (as per the CSA Severe Weather Policy).

16. Discipline

- 16.01 All fines resulting from breaches of these Rules and Regulations and the published EOSL Fees and Fines Schedule will be assessed against the Club, not individuals.
- 16.02 Disciplinary action will be taken per the OS Published Rules for Discipline and the League Discipline Procedures.
- 16.03 Team Officials and players have the right to request an in-person hearing for any game-related offence issued by the Referee. The hearing request, plus a fee of \$100.00, must be submitted to the League within 72 hours of the game where the offence occurred. If a hearing request is not submitted within 72 hours of the game, the offence will be administered using the DBR format. It is the responsibility of the accused person to request a hearing; the League will not offer it. The hearing fee will be reimbursed if the Discipline Panel finds the accused not guilty. An accused who has requested a hearing and fails to appear for the hearing will forfeit the hearing fee.
- 16.04 Failure to appear at a disciplinary hearing will result in the accused's immediate suspension, and fines will be imposed per the EOSL Fees and Fines and OS Discipline procedures. The suspension will continue until the accused pays the associated fees, fines, and requests and attends a new hearing.
- 16.05 Accused players must bring an adult Advisor to a hearing. Failing this, the hearing will end, and the player will be suspended per 17.04 above.
- 16.06 The Club is responsible for ensuring that accused players and team/club officials appear for their disciplinary hearing. If, upon being advised of the accused's failure to appear for their hearing, the club fails to meet its responsibility within thirty days of the original hearing, the fine specified in the EOSL Fees and Fines Schedule will be assessed.
- 16.07 Failure of a club to appear at a disciplinary hearing will result in a fine per the EOSL Fees and Fines Schedule.
- 16.08 Discipline Fine—After the season, every Club team(s) with a Discipline Index of 2.0 or greater, as calculated by the LMS, will be assessed a discipline fine as specified in the published EOSL Fees and Fines Schedule, up to a maximum of \$1000 per club, per season.

17. Protests and Appeals

- 17.01 When a game is played under protest, the information must be noted on the game sheet. The League will consider the protest only if it has been noted on the game sheet and a protest fee is paid to EOS within forty-eight hours of the game's completion. The protest fee is listed in the EOSL fees and fines schedule.

- 17.02 In dealing with any protest, the League will consider the protesting club or team's possession of any prior knowledge of the facts or allegations contained in the protest, which, if properly used, might have prevented the protest.
- 17.03 The protest fee will be refunded if the protest is upheld.
- 17.04 Correctly submitted protests, delivered within the specified deadlines, will be heard. All other protests will be ruled out of order and will not be heard.
- 17.05 No protests about a decision of the Referee will be entertained.
- 17.06 Objections to field conditions, goalposts, balls or team colours will not be considered grounds for a protest. Objections of this nature will be brought to the attention of the Referee and noted in writing on the game sheet. If, in the opinion of the Referee, the objections do not constitute a valid reason for abandoning the game, the League will not consider any further action. In all other cases, the League may take appropriate action based on a review of the Referee's written report.
- 17.07 Per OS Operating Procedures, EOS will have jurisdiction over appeals of the League's decisions. Information concerning appeals can be found on the EOS website.

18. Club Representatives and Communications

- 18.02 Unless specified otherwise in these rules and regulations, players, parents, or Team Officials cannot communicate with the league. - 18.03 Teams will ensure they have valid email addresses in the LMS from May 1 until October 15 of each season for the following positions, as a minimum:
- Head Coach
